**Re: Year One and EYFS Reading apps**

**Dear Parent/Carer,**

As part of our strategy to improve early reading, we shared some engaging reading apps with parents and carers during our recent reading workshops.

Here are some suggested reading and phonics apps you could download and use with your child. By scanning the QR code below with your electronic device you will be directly sent to the website or App Store to download and enjoy at home.

These apps are suitable for all pupils, but may be particularly helpful for promoting a love of reading with reluctant readers. I hope you find them useful and please let us know how you get on with them.

Your sincerely,

Miss Holden
