Dear parents,

In May, your child will take the end of key stage two SAT tests. To help them prepare, each child will be given appropriate revision homework.

We understand that many of you will also want to support your child with extra revision to give them the best chance of success. As a school, we get a reduced price for practice books from CGP so can also offer these to you at the below prices.

If you would like to buy any of these practice books, please complete the form below and take it to the office with full payment made **via parent pay by Wednesday 26th February**. We will only be able to place your order if we have had payment by this date.

If you would like more information about these, please see do not hesitate to ask. Thank you for your continuing support.
