Kingswood Year 2 residential 2-3rd April 2019

“There is no better way to help a child than to inspire them, and an unforgettable residential trip can do just that. It can offer a wonderful opportunity to open minds and nurture potential, to teach life skills, build confidence and create a better understanding of the world. Spending time away from home can also offer young people a chance to embrace adventure and take calculated risks, face new challenges, build self-esteem and make lifelong friends along the way.”

On the morning of the trip

The coach will leave the school mid- morning so that we can arrive at the centre by 2.30pm ready for the fun to begin.

School will be open for children to enter from 8.30am. We will open the KS2 hall side door, so that you can bring any bags straight in.

We will check any medical forms, make any notes as requested by parents and get all of the luggage and snack bag ready in one place.

Any medication must be held separately to their main bag and be labelled clearly with your child's name. A member of staff will be ready to take this from you along with any other information that you need to give.

You will also have the opportunity to hand in a small amount of pocket money (£5) in a named wallet to the teachers.

What to wear

Light weight trousers/ joggers – NOT shorts

T-shirt – long sleeved

Jumper

Waterproof coat

Trainers – that you don't mind getting a little dirty

No skirts/ expensive clothes/ smart shoes

What to pack

As this is only an over-night stay you will not need to send your child with too much luggage.

Your information pack includes a suggested list of things they will need;

Toiletries (soap, tooth brush and tooth paste)

Small towel

Pyjamas /night wear/ slippers

Two pairs of pants and socks

Two changes of clothes (Joggers, t-shirts, jumper)

Plastic bag for any dirty clothes

A second pair of trainers

Water bottle

Teddy etc if needed

You will also need to include a separate snack and drink for them when they arrive, as there will be a long gap between you giving them breakfast and them providing lunch.

Other than that, no other food is necessary – we will make sure that they get everything that they need.

Sleeping

- Your child will find welcoming rooms in their dormitory style accommodation, which has a daily housekeeping check to ensure everything stays clean and comfortable.
- All dormitories are gender separated and house 2 to 16 in bunk beds where clean duvets and pillows are all provided. Some rooms are en-suite but there are always separate toilet and shower facilities for guests close to dormitories.
- All staff will be located in rooms next to the children and available 24 hours if needed.
