

Monday 27<sup>th</sup> April 2020

Good morning everyone,

I hope that I have managed to inspire you to get creative in the video this morning. I have attached the squidgy soap recipe, Mrs Young's Elmo milk bottles and a photo of Ovika's amazing lego pencil pot ☺ .

This week's extended writing task is to write a poem (pack 1) or descriptive sentences (pack 2) about a yellow flower, using the 'Bluebells' poem from 'The Lost Words' book we have in class. I have attached a full copy of the 'Bluebells' poem as a model text and you also have some of my model writing on your task sheet. The SPAG work-developing sentences-will support you in starting to think about the 'Spring' topic of the poem/descriptive sentences.

Pack 1:

Today's lessons are SPAG: developing sentences and spellings. Mathematics: equivalent fractions-please view the equivalent fractions slides before completing the task.

Pack 2:

Today's lessons are SPAG: spellings and mathematics: adding money-please use column method for addition shown on the slide to calculate and show your working out.

Have a great day.

As always, please send a message if you get stuck or have any questions.

Miss Malek.
