Dear parents,

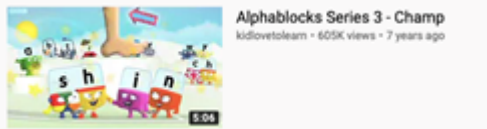

We hope you and the children have had a good start to this week with home learning. We can see from the photos that we are receiving that a lot of effort and hard work has been put in by yourselves and the children so thank you. It is also clear that you have been making the activities as fun as possible which is great. There are a number of Super Challenges within today's work so if your child completes one please send us a photo and we can give out some more Dojo points. We also begin a new comprehension today which we hope the children will enjoy. The story that the image was taken from will be read to the children on Friday so they can find out some of the answers. Thank you all again for your support and if anyone has any questions please do not hesitate to get in touch. Here are today's activities:

### Phonics

#### **Pack 1**

Today we are focusing on the /ch/ digraph? Can the children remember what a digraph is? Watch this short video which will help to remind the children how to blend words containing digraphs. This clip focuses on the /sh/ and /ch/ digraphs.

“Draw it!” Read the caption in each box and draw the picture underneath.

#### **Pack 2**

Today we are focusing on blending to read.

Watch this “Alphablocks” clip to remind your child about how we blend sounds to read.

<https://www.youtube.com/watch?v=OFQ9NmZXsmw>

Blend the word and match it to the correct picture.

### Maths

Addition and subtraction- Use all of the chairs in your house to make a bus. Count the people/cuddly toys on the bus. If someone gets off the bus, how many people are on the bus? How many will there be if two people get on? Model to the children that this can be shown through addition and subtraction number sentences, e.g. start the game with 3 people/toys on the bus but 1 more person gets on would be shown as  $3 + 1 = 4$ . Then if someone got off the bus, it would be shown as  $4 - 1 = 3$ .

Good morning children,

We hope you enjoyed yesterday's story 'The Elves and the Shoemaker' that Miss Howes read and we have been really impressed by some of the work we have seen about it. There are lots of Super Challenges today, so see if you can do some and get some more Dojo points. Keep up the hard work and have a lovely day.

Mr. Carr and Miss Howes.
