Dear parents,

We hope you all have had a lovely long weekend. There are lots of fun activities for the children to be doing this week and we thank you for your continued support. Mrs Pennington has an assembly for the children to watch this morning that can be found on the following link:

Please continue forwarding photos of your children's work as Mrs Pennington would like to use some for her next assembly too and it would be great if some children got the opportunity to see their work in the next video and they may get a certificate too. Please also show your children the video message that will be posted on their class page by Miss Howes or myself today. As always, if anybody has any questions or needs any support please do not hesitate to contact Miss Howes or myself. Here are today's activities:
