

Welcome to Year Five

We are your teachers this year...

Miss Hill

Hello everyone!

I am really pleased that I am teaching you next year in Year 5! As you might know, this is my second-year teaching year 5 at Northfield Manor Primary Academy. One of my favourite subjects in school is science because I enjoy group experiments and investigating things about our world and how it works. As well as science, I also enjoy music and I can play the clarinet. The types of books I like are stories that contain twists that you are not expecting or characters that I can emphasise with. I am excited about getting to know you and look forward to conquering and relishing the challenges in year 5 together.

I hope you are ready for the journey too!

Mrs Spencer

Hello everyone,

My name is Mrs Spencer and I am delighted that I will be your year 5 teacher next year. It will be my first year at Northfield Manor Primary Academy and I am so excited to be joining your wonderful school. I am passionate about reading and I cannot wait to share some fascinating books with you and to hear all about the books and stories which you enjoy. Perhaps you will all be able to give me some recommendations for books which I should read next. As well as reading, I like history, geography, art, maths and English. In fact, I enjoy all of the subjects we learn at school and I am looking forward to the fantastic learning adventures we will have in year 5 and to supporting you all in achieving your very best.

I cannot wait to meet you all!

We are your teaching assistants this year...

Hello, my name is Miss Wilde! I joined the school in 1999. As the school's Learning Mentor, I work with Mrs Sheldon. I enjoy traveling and spending time with my children and grandchildren.

I am Mrs McManus. I work with the EAL children that are newly arrived to our country. I will also be working as your TA. My favourite pastimes are sewing, art and crafts.

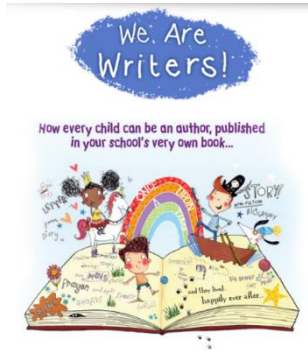

Here are few things to look forward to when you are in Year 5:

QUIZ TIME!

We will be looking at some very exciting Thematic topics this year including the Saxons and Vikings, Current Catastrophes and the Islamic Golden Age.

During the year, you will become an author and be named in a published book!

We will also learn how to make clay runestones!
