

Welcome to Year One

We are your teachers this year...

Miss Kemp

Hello everyone,

I am really excited to be your new teacher in Year One. I know some of you already but I am looking forward to getting to know you all better!

Did you know, I used to be a dancer and I have performed all over the UK. I wonder if any of you like to dance?

My favourite part of the day is story time. I love to put the fire on (on the whiteboard of course), settle down and relax with a nice book.

What are your favourite stories?

I can't wait to see you all very soon and see how amazing you all will be!

See you soon!

Mrs Blaker

Hey everyone,

Welcome to the Year One family 😊 My name is Mrs Blaker and I will be your new teacher in year 1. I hope you are all as excited as I am about moving into a new year group. Did you know, I have taught in year 1 before and love all the exciting activities the year has to offer. My favourite lesson is reading because I enjoy exploring books and sharing exciting stories with the use of props and puppets. I will let you into a little secret... my favourite author of all time is Julia Donaldson. She is amazing! Have you read any of her books?

I can't wait to meet you all and help you blossom into independent learners.

We are your teaching assistants this year...

Hello, my name is Mrs Nicholls. My absolute favourite place in the whole wide world is the ocean. I really love swimming amongst all the sea life. I have recently taken up jogging which I am really starting to enjoy especially most mornings before coming to work.

Hello, my name is Mrs Clifton and I am excited to meet you all in September. My favourite thing to do in my spare time is read. I love reading any type of fantasy book especially those with mythical creatures in! As well as reading I also enjoy looking after my grandson with my husband Brian.

Hi Year One, my name is Mr Keley. I have been a teaching assistant at NMPA for 7 years; I can't wait to meet you all. I like football, reading and travelling to different places around the world. I'm excited to teach and to get to know everyone.

Here are few things to look forward to when you are in Year One:

We will learn about animals from around the world.

We will learn about our local area.

We will also learn about the seaside and its key features.

QUIZ TIME!
