Writing: write statements for a personal profile.

To support your transition into year 3, your new teachers would like to find out more about you. This week you will be writing a personal profile all about you to share with your new class teacher.

Example:

All about me and my family

My name is Stephanie Blaker and I am 29 years old. I am from a small town called Bromsgrove. I love my job as a class teacher, and I have been teaching at Northfield Manor for 8 years. Wow, what long time that is! My favourite lesson is Reading because I enjoy exploring books and sharing lots of exciting stories. My favourite author is Julia Donaldson and I have read most of her books.

At home I live with my husband Matt and my two-year-old son Jude. We have a little, brown cocker spaniel (dog) called Mitsey. As a family we enjoy going for long walks in the countryside.

My favourite time of the year is the Summer. I love the sunny weather and enjoy travelling to new holiday destinations. My favourite place is Cyprus. What a beautiful place it is!

Now it's your turn. **Task:** Write a paragraph of information about you and your family. You can write about you and the people in your family and include your likes and dislikes

What to include:	
Capital letters	
Full stops	
Expanded noun phrase separated by a comma	
Personal pronouns – I, we	
Conjunctions – and, because
