Thursday 15th October 2020

Dear Parent/Carer

On Friday 6th November 2020, Year 3 have been given a fantastic opportunity to work with a company called 'Portals to the Past', who will be delivering a Stone Age workshop based around Prehistoric Britain.

On the day, the children will explore artefacts and will take part in numerous games and interactive discussions about the changes that occurred throughout the Stone Age to the Iron Age.

A Covid-19 risk assessment is completed for all educational visitors to school. Portals to the Past are also working closely with us to adhere to our Covid-19 guidelines. They will implement a number of safety measures as part of their robust risk assessment to ensure the safety of our children. This includes regular hand sanitising, social distancing, frequent cleaning of props and reducing the amount of movement around the hall.

We anticipate that this will be a really engaging and constructive session, and it will directly link with the children's writing and history lessons. The workshop will take place within school hours and costs £6.45 per child. Please make a payment on Parent Pay by Tuesday 3rd November 2020.

Yours faithfully,

Miss O'Brien and Miss Sutton.
