

## School Results, 2019-20

Please note that statutory tests did not take place this year for KS2. In their place, teacher assessments were made with the Fischer Family Trust results service used to calculate progress. Results were moderated against books and mock test data, however it should be noted that these are not comparable to previous years in accountability terms.

For KS1, assessments were teacher assessed as in previous years, but had to be made based on those on track to achieve by the end of the year (due to going into lockdown), using mocks and books to moderate judgements. We assessed against the end of the year to ensure expectations remain high when they return.

Because of mock exams in KS1 and KS2, we are able to report results with a degree of accuracy, but to reiterate in previous years the KS2 results were from statutory tests but this year they have needed to be teacher assessed due to exams being cancelled as a result of lockdown.

### **KS2 Teacher Assessment**

	School % achieving the expected standard	National % achieving the expected standard (2019)	School % achieving a higher level of attainment	National % achieving the higher standard (2019)
Maths	84%	79%	25%	27%
Writing (TA)	81%	78%	19%	20%
SPaG	NA	78%	NA	36%
Reading	81%	73%	33%	27%
RWM Combined	75%	65%	18%	10%

### **KS2 Progress Measures (FFT)**

	Northfield Manor Primary Academy
Maths	+1.3
Writing	+2.8
Reading	+2

**KS1 Teacher Assessment**

	School % achieving the expected standard	National % achieving the expected standard (2018)*	School % achieving a higher level of attainment	National % achieving the higher standard (2018)*
Maths	71%	76%	22%	22%
Writing	71%	70%	22%	16%
Reading	83%	75%	39%	26%
RWM combined	71%	62%**	22%	-
