22<sup>nd</sup> February 2021

Dear Parents and Carers

I hope you and your family have had a good half-term.

As you will be aware, **all children will return to school on Monday 8<sup>th</sup> March**. Until then, children will continue to receive remote education. Thank you for the huge and on-going contribution you have made to remote education and for helping to make this work as well as possible. The learning the children are doing at home will help them to feel confident and ready to return and this will aid a smooth transition.

#### Critical Worker Places

We have so far been able to accommodate all requests for places. Critical worker places are not limited, however, under our current school risk assessment we are full in most year groups. Should you require a place before March 8<sup>th</sup> please give 48 hours' notice as a place may need to be arranged in another trust school.

We very much look forward to having all the children back soon. I will let you know more about how we will ensure the children have a good transition back into school, through our next school newsletter. In the meantime, if you have any concerns about your child's return to school, please contact your child's teacher or a member of the senior team and we will be happy to discuss this with you.

Yours faithfully  
Mrs Pennington
