
Pack collection rota

Work packs are available to collect on Friday. If you have siblings in school you can collect all packs at the YOUNGEST child's time slot.

We ask that you socially distance, wear masks and use hand sanitiser. There will be a one-way system in place (follow the arrows) and only 1 person at a time in the foyer.

If you have been unable to collect your pack then please make an appointment with the office and they can arrange for your pack to be left out at a given time (avoid entrance and dismissal times).

All packs will also be put on our school website.
