

Welcome to Year Four

We are your teachers this year...

Mr Jenkins

Hello everyone!

I am so excited to be teaching you in Year 4 next year! As you might know, I have been a year 6 teacher for quite a while, but did you know that this is my second year teaching Year 4? My favourite lesson in school is maths, as many of you may already know. However, my favourite time of the day is sharing our class book at the end of the day and transporting you all into the amazing worlds that our books take us to. I am really looking forward to meeting you all I cannot wait for us to tackle all the new and exciting challenges that we will face in Year 4 together.

We are your teaching assistants this year...

Mrs Whitaker

My name is Miss Whitaker and I'm very excited to be in Year 4. I already know you all from Year 3, so I'm looking forward to supporting you all again this year. In my spare time, I enjoy baking, gardening and watching Birmingham City FC. My favourite author is Roald Dahl. His books have always made me giggle.

Mrs McCarty

Hi everyone!

I will be teaching in year 4 this year. You will have seen me around school teaching in different classes and helping to support Mrs Pennington with the leadership of the school. I am in charge of science and behaviour in the school, and I love teaching all subjects but especially maths. I am most looking forward to our history topics about the Ancient Greeks and Romans.

What is your favourite subject in school?

Miss Galvin

My name is Miss Galvin and I will be supporting in Year 4 in the afternoons. I am really looking forward to seeing you all again. My favourite subjects are English and art because I like to be really creative!

Here are few things to look forward to when you are in Year 4:

We will be looking at some very exciting Thematic topics this year including the Ancient Greeks, Roman Britain, Modern Britain and Keen to be Green.

During the year, you will learn how to play either the flute or clarinet, as well as take part in swimming lessons.

We will also learn how to become times table champions (so get practicing your times tables!)
