

Welcome to Year 6!

We are your teachers (again) this year...

Miss Hill

Hello again!

I am over the moon about being able to teach you for a second year running! What a lucky teacher I am! I look forward to more clarinet performances and becoming more of an expert on the things you have been teaching me about like bees, aeroplanes, Harry Potter – the list goes on!

In Year 6, you will be the top of the school and we have lots of exciting topics! I am so looking forward to our Year 6 production as I love acting and performing. Next year is really one to look forward to. It will be hard work but all the best things come from hard work and you are definitely ready for it!

Mrs Spencer

Hi Everyone,

I am delighted to be teaching you again next year as I have thoroughly enjoyed being your teacher throughout year 5. I am sure that we will have another great year together.

We will have a lot of learning to do and will have SATS to prepare for but, having worked with you this year, I know that you will all rise to the challenge. Year 6 is a great year, not only are you the oldest students in school, but we also have our year 6 production, a range of interesting topics and, hopefully, some trips to look forward to.

Here's to a fabulous and successful year 6 together!

We are your teaching assistants this

year...

Hello, my name is Miss Fox and I am so excited to be in Year 6 again. I have been at NMPA for 13 years and I enjoy working in Year 6 the most! My favourite subject to teach is definitely reading. In my spare time I enjoy listening to music and gardening.

Hello, my name is Mr Brace and I am so excited to be working with you again next year!

As some of you will already know, my favourite subjects to teach are Maths and PE. My hobbies are playing sports such as rugby and darts.

Here are few things to look forward to when you are in Year 6:

We will be looking at some very exciting Thematic topics this year including ...

- World War II
- Brilliant Brum
- Let Us Entertain You!

During the year, you will:

- Prepare for your SATS.
- Prepare for secondary school with lots of PSHE and transition work.
- Be a part of the year 6 production.

We will also learn ...

- Science units: Lights, Electricity and Evolution.
- Artists: Henry Moore, Paul Nash, William Morris and Picasso.
- Computing: Coding and skills practice.
- Spanish.

QUIZ TIME!

How well do you know your teachers?

Which teacher lived in Cambodia?
