Sun cream

Dear parents/carers,

The summer is on its way and we are all looking forward to spending lots of time outside during playtimes and also lessons! However, it is essential that children have protection from the sun.

They should bring their sun hats into school every day. We also ask that all children wear sun cream to school which is applied before they arrive in the morning as this offers protection for the whole school day. This should be an 'all day protection sun cream' to ensure it protects them during the short periods they will be outside as school staff are not able to do this during the day. The children will be able to access the shaded areas should they be particularly sensitive.

Many thanks for your continued support and by working together we can help all our children stay safe in the summer months.

Yours sincerely,

Mrs Pennington
