“Uniforms can be expensive, family circumstances can change and sometimes keeping your children clean and warm can be more difficult than you'd ever imagined.

The School Swop Shop is a new initiative, intended to help families, by providing FREE school uniforms, PE kits, shoes, forest school clothes and anything else that may be needed.

Absolutely anyone is welcome to donate preloved clothing, or collect anything they may need. Please help us to continue to help as many families as possible.

So far, people have been extremely generous, and we have been able to help families, some of which would never have been able to provide their children with warm winter coats, shoes or even cardigans and jumpers without the community's and our help”
