

Dear Parents and Carers,

It's hard to believe that we have come to the end of the term already!

It has certainly been packed full of learning, experiences and achievements. The past 2 weeks have been particularly eventful, with Nativity performances, craft workshops, Christmas cancelled (see Class Dojo post), Xmas factor and class parties!

There has been a wonderful buzz around school from both children and staff!

Please enjoy, reading a little more information below...

Parent Feedback

Throughout the Autumn Term, we have shared the below link to help us to build a picture of what is working well and what we can develop further, from our family's perspectives.

Whilst they say no news is good news, we would really value your input so please spare a couple of minutes to share your experiences as this will be the last opportunity until later in the year.

Boom Reader

We hope that by now you have had the opportunity to sign up to Boomreader. We have had lots of great feedback from both children and adults following the launch.

As this has replaced the home reading diary, it is necessary for all families to sign up so that we can track children's reading day to day and week by week. This is essential to ensure your child is progressing and can achieve their best so please get set up if you haven't already and ask for support if needed.

We will be hosting another drop in session to provide support in the new year and will send out details upon our return.

Winter craft sessions

Our winter craft sessions went down extremely well and we had a great turnout. Staff really enjoyed welcoming in parents and feedback showed that both children and adults cherished being able to get creative together!

We know that it is not always possible for all parents to attend, but we will endeavour to give notice as much as possible in advance, in the hope that all will be able to make some of the sessions across the year.

Thank you for your support with these events!
